

GRANT APPLICATION

Written In Red Foundation - Mission Statement

The Written In Red Foundation affirms its founder's vision of striving to improve the quality of life for the citizens of Artesia and Southeast New Mexico. The Written In Red Foundation pursues this vision objectively by promoting education, supporting health care access, providing crisis assistance and offering spiritual guidance.

Note: Before the Foundation will consider a proposal, applicants must first check to be sure that their project fits within the mission of the Written In Red Foundation.
